A close-up portrait of Candace Van Dell, a woman with long, wavy blonde hair and blue eyes, looking slightly to the side with a soft smile. The background is blurred, suggesting an outdoor setting. The image is framed by purple decorative bars at the top and bottom.

I get to the root cause of issues very quickly and transformation occurs on the spot.

CANDACE VAN DELL

SPIRITUAL COACH | AUTHOR | SPEAKER

As a Spiritual Coach & New Thought Leader, Candace uses her spiritual clarity and emotional intelligence to focus on a soul-centered approach to healing. It is her belief that many of our negative “symptoms” are signs that we are out of alignment with our true selves. We have been conditioned to align with external authorities, societal ideals, out-of-date learning styles, and perfectionistic standards.

We can't experience or maintain true health unless we are true to ourselves. To clear unwanted symptoms, we must get back into alignment with what we FEEL.

“We are not humans having a spiritual experience, we are spiritual beings having a human experience.”
